Form continues on reverse side

PART 2: PLEASE COMPLETE THE ANSWERS BELOW. (type or print)

EDUCATION BACKGROUND

Name of School _____	Name of School _____	Name of School _____
Degree received/Year graduated _____	Degree received/Year graduated _____	Degree received/Year graduated _____

Official transcripts of all completed university work must be submitted to the Managing Director of the DM Program.

PART 3: ATTACH YOUR RESPONSES TO THE FOLLOWING ESSAY TOPICS. EACH ESSAY SHOULD BE APPROXIMATELY ONE PAGE IN LENGTH (TYPED, DOUBLE-SPACED).

1. Describe the activities and experiences that demonstrate your commitment to personal learning and development.
2. Explain your learning objectives for the DM Program.
3. Beyond your own learning, to what values, actions, and/or visions are you committed?
4. Discuss what you see as the most significant qualities or characteristics that you would bring to the DM Program.
In other words, what would be your value-added to the Program?
5. Briefly describe an organizational or societal issue or problem that concerns you, and indicate the intellectual contribution you would like to make to it.
6. Indicate how you would ideally envision the remainder of your career, and what role the DM Program might play in that development.
7. Describe in concrete terms how you plan to restructure your time and existing responsibilities, both personal and professional, so that you will be able to attend all residency sessions of the DM Program and devote at least 30 hours per week to your studies.

If available, please include examples of your published writing as part of your application.

If you have a record of significant involvement within the nonprofit sector and would like to apply for the DM Nonprofit Research Fellowship, an essay (limited to two pages) must be submitted addressing the following:

8. How have your experiences in the nonprofit field, your interest, and your professional goals influenced your desire for admission to the DM Program? What role(s) or impact do you want to have in the nonprofit sector? What audiences would benefit from your research and why?

PART 4: SIGN AND DATE YOUR APPLICATION

To the best of my knowledge, the information contained in the application is true, complete, and accurate.
