

Recruiter *Quick-Start* Guide

Weatherhead's Career Management Office (CMO) works hard to establish a strong relationship with you so we can provide your company with unparalleled attention and service. We will collaborate with you to understand your unique recruitment needs and share recruiting best practices to ensure successful outcomes.

Why Weatherhead

- Promotes the values of design, innovation and business as an agent of world benefit
- Adapts to the ever-changing business environment to meet tomorrow's business challenges
- Collaborative, hands-on curriculum prepares students for immediate job impact

Why Our Students

- Diverse to the fullest extent of the term: Students represent 25+ countries, a variety of graduate majors and concentrations, functional experience, industry experience, genders and ethnicities
- Prepared to thrive in a global economy
- Open to relocation
- High academic achievers

Why Partner with CMO

- **We know our students.** Small class sizes enable us to develop personal relationships with students, which allows us to better support our employer partners.
- **Personalized service and customized recruiting support.** Our personalized services range from posting positions and advising for internship program development to providing information about hiring international students and sharing recruiting best practices.

Programs We Support

- MBA (full- and part-time)
- Executive MBA and Cleveland Clinic-Weatherhead EMBA
- Master of Accountancy (MAcc)
- Master of Science in Management – Business Analytics (MSM-Business Analytics)
- Master of Science in Management – Finance (MSM-Finance)
- Master of Science in Management – Operations Research and Supply Chain Management (MSM-OR/SC)
- Master of Science in Management – Healthcare (MSM-Healthcare)
